Landscape Report

Snow Removal

We have had Evergreen out a few more times for snow removal in 2023.

Thanks to all who helped with snow removal (if I missed anyone, I apologize)-

Ellen E

Ted H. & Rosemary R

Ron S.

Dale and Diane N.

John M.

Steve H.

Community garage sale

June 2-3 Friday/Saturday will be the VGHOA Community Garage Sale.

I need someone who would head up this committee. We will need some neighborhood signs, and a listing on social media- Facebook Market Place,

Craig's List.

Spring Clean Up

Evergreen will be out in April for the spring cleanup and sprinkler check.

I will not have the water turned on for the grass until mid-May or later, depending on how much moisture we receive. I will start with watering 1 time/week for a little longer duration and increase to 2 times/week as needed.

Signs/sign posts

Image 360 will be installing sign posts and a couple of missing signs the week of 4/3.

Trees

I will be shopping for 3-5 trees in May. If you have any favorites, let me know. They must be disease resistant, low maintenance, low water requirements.
