Snow Removal

We have had no snow removal yet this year.

Just a reminder-

Evergreen will NOT shovel up to your door if there are chairs, flowers pots, decorator items, vehicles in the way due to liability issues.

Any little bit that you can help shovel around your unit WILL save the HOA snow removal fees.

The Lighthouse (men's sober living transition house shovels for donations)

For those who would like to have the walks shoveled when Evergreen is not called out.

Tree Removal

The cottonwood tree behind #26 was removed 1/19/2024 by Tanglewood Tree Service. \$3000 included stump grinding.

Community Garage Sale

Tentatively June 1-2 or June 7-8.
