October 9, 2024

Eckhoff's #2

Trees

10 new trees were planted the last week of July.

Trees trimmed.

Xeriscape

Xeriscape is thriving.

Landscape

Irrigation will be shut down the week of 10/14/2024.

We have had several sprinkler problems due to tree roots kinking the lines, Evergreen has taken care of it.

Swales, downspouts, window wells, etc.

#8 had some water mitigation done, paid by owner.

Steve Hansen has been filling in dirt where it has sunk around the new window wells.

Bid for water mitigation between #38 & 39.

Yard Waste

Yard waste will be picked up Fridays thru November. If you have yard waste, but no "official" container contact Kammi Eckhoff (#2) and we'll get you in contact with someone that does (#2, #20,??)

Thanks

To all who have helped out with the xeriscape this year, Glenns, Noels, and?

To Steve Hansen for tree duty while we were out of town.
