

## Victorian Gables Patio Homes at Silverplume HOA

### Written Consent to Disclose Telephone and Email Data to VGHOA Members

Unit #: \_\_\_\_\_

VGHOA Homeowner/Resident:

The Colorado Common Interest Ownership Act (CCIOA; Colorado Revised Statutes, Title 38, Article 33.3) requires the HOA to have signed consent on file from homeowners before distributing telephone and email information to other HOA members. This act provides privacy to all members.

Excerpt from 38-33.3-317:

“...A member or resident may provide the association with prior written consent to the disclosure of, and the association may publish to other members and residents, the person's telephone number, electronic mail address, or both. The written consent must be kept as a record of the association and remains valid until the person withdraws it by providing the association with a written notice of withdrawal of the consent. If a person withdraws his or her consent, the association is under no obligation to change, retrieve, or destroy any document or record published prior to the notice of withdrawal.”

The HOA telephone and email list states: “SENSITIVE INFORMATION – DO NOT RELEASE.”

Please return this Written Consent form to a VGHOA board member after electing to allow the HOA to disclose your telephone and email address to other HOA members, or electing to opt out of future HOA lists.

- I give my consent for the HOA to disclose my/our telephone number and email address in future lists which are distributed to other VGHOA members. Please fill out the back only if you consent to sharing the info.
- I DO NOT give my consent for the HOA to disclose my/our telephone number and email address in any future lists which are distributed to other VGHOA members.
